

Physics Colloquium

Summer 2009 Undergraduate Research Fellowship Reports

***Computer Simulations of Molecular Systems Under
Various Types of Confinement and Pressure***

Brodie Wandling

Senior, BS Physics Major

***Simulating the Cause of the Obliquity
of the Uranian System***

Tyler Rash

Senior, BA Physics Major

November 4, 2009

4:00 pm

114 Begeman Hall

Everyone Welcome! Refreshments Provided.
