UNI/CENTRAL RIVERS AEA REGIONAL
PHYSICS COMPETITION
2018-19 EVENT TEAM REGISTRATION FORM

An **Event Team** consists of 2 students and whose event scores do not count towards the school team total score. An individual student may participate in a maximum of 2 event teams. No event team may have multiple entries in the same event. Event team winners at the regional competition may advance to state in that event, IF the event team members are NOT also on the winning school team. Please note that teams must sign-up for time slots to compete in the challenge problem at registration. **The registration fee is $2 per student participant.**

Submit one **Event Team Registration for each event team entered.**
