UNI/CENTRAL RIVERS AEA REGIONAL PHYSICS COMPETITION
2018-19 SCHOOL TEAM REGISTRATION FORM

A School Team consists of 2 students registered for each event entered and whose event scores count towards the school team total score. The school team does not have to enter all events, but a score of “0” will be entered in the team score for events in which 2 students fail to compete. No student may be registered on more than one school team. Please note: (1) teams must sign-up for time slots to compete in the challenge problem at registration, (2) no more than 1 school team from one school may compete at the state competition, and (3) no event team who is from the same winning school team may compete at the state competition. The registration fee is $2 per student participant. Do not complete an Event Team registration for school team members unless they will be competing in other events outside the school team.

School: ________________________ Coach: _________________________
Email: _________________________

All schools must complete and submit their registration forms via email, mail, or fax no later than March 22nd (Friday) to: Dr. Larry Escalada
215 Begeman Hall
Department of Physics
University of Northern Iowa
Cedar Falls, IA 50614-0150
Fax: 319-273-7136 or Email: Lawrence.escalada@uni.edu

Checks and Purchase Orders (P.O.) will be accepted. P.O.’s may be sent in advance to Becky Adams via email at becky.adams@uni.edu, fax (319-273-7136), or mail at the address given above. Please use the same address for payment by check. Check should be payable to the “UNI Physics Department”. For questions related to payment contact Becky Adams at 319-273-2420. Check payments and cash will be accepted on the day of the competition.

Schools are to bring a completed Certification of Compliance form for each student entered to the competition. See the State Certification of Compliance Form link found at http://www.physics.uni.edu/outreach/uni-physics-olympics for details.
